

# DARRA Project - Digitalizing Businesses and Regions in the Northern Periphery

Digital Age in Rural and Remote Areas

## DARRA for SMEs

DARRA offers support in ICT development for micro enterprises and SMEs.

## DARRA for public organizations

DARRA supports public organizations developing business related ICT services.

## ICT vision 2020

DARRA ICT vision 2020 visualizes a modern organization in Northern Periphery. The vision is the guideline for organizations strategy and development work.
